Recognition Item(s)

School Board Recognition Month

Crowley ISD joins school districts across the state in celebrating January as School Board Recognition Month. Our trustees are extraordinary volunteers who play a crucial role in our schools and in our community. They receive no pay for their dedicated efforts. They not only volunteer their time and effort for our local schools, but they also speak up for our system of public education on a statewide level.

These public servants attend meetings, read detailed reports, listen to parents' concerns and do the hard work to benefit the students and the community at large. They bring a variety of skills and backgrounds to their task, and they take their responsibilities seriously. And the whole community benefits from their vigilance in providing great schools.

Each January, we pause in our regular activities to say THANK YOU to these dedicated volunteers. We appreciate their generous sharing of time and energy on behalf of our children and our communities. Crowley ISD school board members are "Navigating Students to Success" in our district.

BuyBoard Purchasing Cooperative Rebate

Crowley ISD is a member of The Local Government Purchasing Cooperative (BuyBoard). The Cooperative helps school districts and other government entities streamline the procurement process and increase our purchasing power. Each year, the Cooperative issues rebates to its members proportional to the amount of their purchases on the BuyBoard.

Since 2006, The Local Government Purchasing Cooperative has rebated a total of almost \$70 million to members. The Cooperative is endorsed by the Texas Association of Counties, Texas Municipal League, Texas Association of School Administrators, and Texas Association of School Boards (TASB). The Cooperative is also a Strategic Partner with the Texas Association of School Business Officials.

Crowley ISD has received a rebate check of \$74,346.95 for the 2019-20 fiscal year as a result of the district's purchases made through the Cooperative. In the last year, Crowley ISD has used the BuyBoard to purchase a variety of products, including equipment, furniture, supplies and miscellaneous contracted services.

The calendar includes dates in which the District will be presenting reports to the Board of Trustees along with any additional information found necessary to assist with the understanding of the budget process.

2020-21 Request for Proposals (RFP) Schedule

Each year, the CISD Purchasing Department engages with hundreds of external vendors in the process of procuring goods and services for the instructional and operational functions of the CISD. In keeping with State statute relative to purchasing contracts and, more specifically, those that may exceed the threshold of \$50,000 per annum, the CISD Purchasing Department issues solicitations from various vendors through a mechanism referred to as Requests for Proposals (RFP's). The administration has updated its schedule for those planned RFP solicitations for FY 2020-21 and beyond.
