Celebrations / Board Points of Pride

Summer Creek Middle School

Summer Creek Middle School students welcomed a special guest speaker, Brooke Hart Jones, during their Pride and Purpose Brunch on Wednesday, February 21! The HBCU graduate and entrepreneur talked to students about her HBCyoU Dolls and how she made them to inspire, encourage, and motivate others to know about higher education and to reach their dreams. A special thank you to Survive and Thrive Education, who sponsored the event.

North Crowley High School

Congratulations are in order as North Crowley High School Texas Association of Future Educators advances to state! We are super proud of the 8 qualifying students who will be competing at the 40th Annual Teach Tomorrow Conference and Competition which starts next week in Round Rock, Texas. Crowley pride...unified!

Mary Harris Elementary School

The Mary Harris Huskies are ready for the Cowtown Kids 5K with their new shoes thanks to our friends at The Cowtown Calf! The students were so excited & grateful to receive shoes and we want to thank Coach Hayworth for setting up the giveaway and for helping train our Huskies for the big race. The race is February 24, and we will be cheering you on all the way!

Deer Creek Elementary School

February 9 was STEM Day at Deer Creek and across the district! The activities were focused on the engineering design process, which allowed our students to think critically about how to solve real world problems like the need for clean water and transportation! Shoutout to Mr. Bell for organizing everything and reminding our students of the importance of STEM every day! Great work!

Bill R. Johnson CTE

February 17 - 24 is National Future Farmers of America Week and we are Crowley proud of our FFA at BRJ. Future Farmers of America is the largest student-led organization in the US promoting agriculture and premier leadership. Crowley FFA was founded in 1994 and there are currently 412 members and 5 junior members in the organization...the largest in Crowley FFA history! Awesome accomplishment! We are excited about the future of our farmers!

Crowley Collegiate Academy

Great things are on the horizon for Crowley Collegiate Academy scholars, Katelyn Lenahan and Francis La who were selected winners of the UT Austin Fall Undergraduate Research Symposium and the TCC Cultivating Scholars Conference, respectively. Their research will be showcased at the National Conference for Undergraduate Research hosted by California State University, Long Beach in April 2024. These two scholars along with Amaya Cervera and Edidong Ekong competed in both conferences based upon an elective research course taken during the summer. Way to go Crowley Collegiate...we are proud of your success!

Oakmont Elementary School

This week is Kindness Week and at Oakmont Elementary students were challenged to join the fun. Students enjoyed a week of dress up days which included dressing like superheroes, wearing workout gear to inspire them to work through their problems and wearing career clothing to remind them to grow up spreading kindness. In Crowley ISD, we act like a family and family kindness matters! Great job Oakmont!

Superintendent Report

A Superintendent Report was not delivered during this portion of the meeting.

Recognition Item(s)

Teacher Incentive Allotment Designated Crowley ISD Educators

The Teacher Incentive Allotment (TIA) was created in 2019 as a part of House Bill 3. The goal of TIA is to recruit, retain, and reward high quality teachers by providing additional pay based on performance. The District introduced and celebrated 53 teachers who earned TIA designations during the 2022-23 school year.

Public Hearing

Texas Academic Performance Report (TAPR)

The Texas Academic Performance Reports (TAPR) pull together a wide range of information on the performance of students in each school and district in Texas every year. Performance is shown disaggregated by student groups, including ethnicity and socioeconomic status. The reports also provide extensive information on school and district staff, programs and student demographics.

Highlights from the 2022-2023 Texas Academic Performance Report (TAPR) and other requirements from TEA will be shared during the public hearing. Individuals wishing to comment during the Public Hearing must sign up in advance by completing and submitting an

online form one hour before the meeting begins. The speaker card is available at www.crowleyisdtx.org/openforum.

Adjournment of Public Hearing.

Annual Report – Fiscal Year 2022 – 2023 Crowley ISD Rebates from Purchasing Cooperative Cash-Back Rebate Program Participation

Crowley ISD is a member of several national, state, and other authorized Purchasing Cooperatives/Cash-Back Rebate Programs. Purchasing Cooperatives/Cash-Back Rebate Programs serve as agencies that help school districts and other governmental agencies to streamline the procurement process, enabling them to increase their purchasing power by pooling their needs to receive a better value for purchased goods and services than a single entity might be able to receive on its own. Additionally, several of these Purchasing Cooperatives/Cash-Back Rebate Programs offer cash back rebates to participating entities based upon a percentage of annual spend. The Annual Rebate Report has been provided for Board review.

Black History Quiz Bowl Preview

February marks the Black History Month, and at Crowley ISD, we celebrate the heritage, histories, cultures, and contributions of Black Americans who have positively influenced our nation. The theme for this year is African Americans in the Arts. The District is hosting its annual Black History Bowl at North Crowley High School on Saturday, February 24. The

competition is a team event, with four students per team and one alternate. There will be two age divisions, one for elementary students (grades 3-5) and another for senior students (grades 6-12).

Grant Awards: Learning Acceleration Support Opportunities (LASO) 2 Award Notification

Additional Days School Year- Summer Learning Accelerator Amount Awarded: \$476,088

Grant Funds Available: March through September 2024

High-quality, evidence-based summer learning programs help to prevent summer slide, i.e., learning loss created by the lack of student engagement in rigorous content between academic school years. Prekindergarten through 5th grade campuses who meet Additional Days School Year (ADSY) eligibility requirements in the 2023-2024 school year are eligible for this grant.

This grant program guides LEAs through a 3-month accelerated support planning process to design a summer learning program aligned with research-based best practices in academics, operations, and enrichment activities.

School Action Fund- Planning

Amount Awarded: \$370,000

Grant Funds Available: March through September 2024

The School Action Fund (SAF) grant provides technical assistance, resources, and grant funds to support the planning and implementation of school actions for, and at, individual campuses.

School districts also receive support in adopting a broader continuous improvement strategy to improve schools and provide parents and families with the schools and programs they want, need, and deserve. A maximum of six grants will be awarded to any individual LEA across all actions.

Technology Lending Grant

Amount Awarded: \$180,000

Grant Funds Available: February 2024 through April 2025

Purpose of Grant:

The Technology Lending Grant program provides students equipment necessary to access and use digital instructional materials at school and at home.

This item will be brought back during a future board meeting for consideration and possible action.

Curriculum Adoptions - Proclamation 2024

Proclamation 2024 calls for the adoption of instructional materials in K-12 Science and Personal Financial Literacy and Economics.

A team of coordinators, teachers and principals have been working together throughout the year to identify high-quality publishers and materials for adoption in Crowley ISD. Samples of top publishers were presented to all teachers. All resources have been designated High Quality Instructional Materials by the State Board of Education. Top publishers will be on public display at upcoming district events in person and via zoom as well as the Administration building through Friday, March 29. An online feedback form is available for input from employees, students, board members, and community members.

The final recommendation for adoption will be brought before the board as an action item in April. This item will be brought back during a future board meeting for consideration and possible action.

2024-2025 School Calendar

The District is in the final planning stages of developing the 2024-2025 school calendar.

A calendar survey with two draft options will be launched Monday, Feb. 26 for parents, students and staff.

Draft A features:

-No change to school day start/end times

-Student/Staff Days:

*169 student instructional days

*187 teacher contract days

*15.5 professional development days

*2.5 teacher-directed staff workdays

Draft B features:

-Change to school day end times:

*Elementary dismissal: 3:30 p.m. (additional 10 minutes)

*Middle dismissal: 3:55 p.m. (additional 10 minutes)

*High dismissal: 4:30 p.m. (additional 15 minutes)

-Why? This change to school day dismissal times creates:

*Additional four-day weeks

*Instructional days that are the same length at elementary, middle and high school

- *Designated teacher-directed staff workdays, parent/teacher conference days and campus collaboration days
- *Additional time for high school students traveling between home campus and CTE Center

-Student/Staff Days:

- *164 student instructional days
- *187 teacher contract days
- *10 campus collaboration days
- *7.5 professional learning days
- *3.5 teacher-directed staff workdays
- *2 parent/teacher conference days

The draft calendars are also being reviewed by the District PIT team, the District-Wide Educational Improvement Council (DWEIC) and a principals before being brought back to the School Board possible action at the March 7, 2024 meeting. This item will be brought back during a future board meeting for consideration and possible action.

1882 Partnerships Call for Proposal(s)

Crowley ISD is set to release a formal announcement inviting organizations defined by district-authorized subchapter C to submit proposals for the redesign of their middle schools. CISD will thoroughly review the proposals received, as they seek to create or expand high-quality schools within their jurisdiction. The main objective of the Call for Proposal (CFP) is to identify innovative ideas and proven models that can improve educational outcomes and provide students with access to excellent schooling options. The ultimate goal of the CFP initiative is to establish a pipeline of potential partner organizations that can operate schools in CISD. For the upcoming call, CISD is prioritizing innovation partnerships for their middle schools. This item will be brought back during a future board meeting for consideration and possible action.
