Celebrations / Board Points of Pride**Sycamore Elementary School**

April 10 was a special evening at Sycamore Elementary as our 3rd-5th-grade families came together for a Night Under the STAARs! Students had a blast watching a movie in the gym with their friends, while parents wrote encouraging notes for their children to open on STAAR test day and created banners filled with motivational messages that will soon brighten our hallways. Families also attended an informational session led by Mrs. Castillo and Mrs. Saleh, where they learned more about the upcoming STAAR tests, how to support their children's success, and how to help ease test-day nerves. Thank you to all of our families for coming out — your support means everything.

Congratulations to the boys 4x400 relay team for its second-place finish at the regional track and field meet Saturday. A special shoutout to Amari Bartee, Carson Caldwell, Tylour Dudley, Vincent James and Tyrin Stanford who are headed to the state meet May 3 in Austin. Go Eagles!

Assistant Principals Week

From April 7–11, Crowley ISD proudly celebrated National Assistant Principals Week, shining a spotlight on the incredible work of our 42 dedicated assistant principals. These unsung heroes are essential to the daily success of our schools—supporting student achievement, fostering positive school culture, managing campus operations, and building strong partnerships with families and staff. Their leadership, dedication, and tireless commitment help create safe, nurturing environments where students can thrive. We are honored to recognize their vital contributions and celebrate the powerful impact they make in the lives of students everyday. Crowley pride...unified!

H.F. Stevens Middle School

On Friday, April 11, H.F. Stevens hosted an exciting Family Game Night in the library from 5–7 PM. Families enjoyed Bingo, free dinner, and \$1 movie snacks—creating laughter, connection, and lasting memories across our school community. A great time was had by all!

S.H. Crowley Elementary School

On Thursday, April 17, S.H. Crowley Pre-K scholars had an unforgettable spring field trip to Country Critter Farm! They explored farm life, interacting with goats, pigs, sheep, and donkeys, and even took a tractor ride around the farm. The students learned how to pump water from a well and discovered how vegetable gardens grow. Through jumping, exercising, and enjoying fresh air, they embraced hands-on learning that nurtures their growth, curiosity, imagination, and understanding of the world. This adventure was a perfect blend of fun and educational experiences!

Special Education

On April 12, the Special Education Department hosted a vibrant Special Education Prom with 90 participants, offering students a joyful and inclusive experience with music, dancing, and food in a sensory-considerate environment. The prom provided a space for students to shine, build connections, and create lasting memories alongside peers, families, and staff. Additionally, the department will host its inaugural Hero 5K this coming Saturday, April 26, promoting inclusivity, equity, and community engagement. The 5K highlights the strength of individuals with disabilities, advocating for meaningful access and opportunity in schools and beyond.

Parkway Elementary School

April 12, Parkway Elementary hosted its Reading STAAR Camp for 3rd–5th grade students, offering a fun and engaging way to review essential reading skills. Students rotated through a variety of hands-on activities, including Task Card Jenga, a challenging reading escape room, and an exciting game of Reading Jeopardy.
