Celebrations / Board Points of Pride

Bess Race Elementary School

On March 21st, Bess Race Elementary held their Inaugural Ladies of Distinction Ceremony, where they inducted 11 young ladies. The mission is to motivate, build up self-esteem in our young ladies, and to serve and uplift the school and community through engagement and outreach activities. The guest speaker was Judge Lisa R. Woodard. The Ladies of Distinction already have their first community service scheduled, which will be the April Tarrant Area Food Bank. Kudos to Ms. Contius Hughes and the team at Bess Race Elementary. We are so proud of you!

Soccer

Although our soccer season has come to an end, there is still so much to celebrate. The Beck brothers, Blake Beck (CHS Class of '05) Dylan Beck (CHS Class of '12) and Austin Beck (CHS Class of '16) coached our student with pride. Three Crowley teams made a playoff appearance. Congratulations on a great season to all four CISD soccer teams. We are proud of you.

Parent University

Crowley ISD has partnered with The Women's Center to provide Parent Education Classes through Parent University. Last month, 35 parents learned how to talk to children about abuse. On Tuesday, March 27, 55 parents received valuable information regarding online safety. Our next session on April 30 will focus on helping students to avoid violence and to maintain healthy relationships. We are one team...with one dream!

June W. Davis Elementary School

Career Day at June W. Davis Elementary was a day to remember! Presenters included a NICU nurse, a tv producer, a boxer, a Trinity Metro public bus, restoration experts, small business owners, and law enforcement officers. We are so thankful for our partnership with Junior Achievement making this special day possible, and we can't wait to see what our Trailblazers accomplish in the future!

Community Partners

Enriching the experiences of students in Crowley ISD requires community support and we want to take a moment to thank the many supporters who have given donations to the Crowley ISD Special Education Department for events like our sneaker ball and our annual Ability Games. Seasons of Change, Cowtown Photography, Hallmark Church, and Effortless Branding are just a few of our amazing sponsors. On behalf of our students, our district and the board, we appreciate you for helping us to create the best educational outcomes for every student!

The Ability Games

Crowley ISD secondary students had a blast at the annual Ability Games. On Friday, March 22 exceptional students from every middle and high school met up at the multi-purpose stadium to enjoy some fun and games with adapted equipment for access. We value this annual event and the opportunity to act like a family and work like a team. We have so much Crowley pride and we are unified!

Resource Fair

Crowley ISD Special Education hosted the Creating Possibilities Resource and Transition Fair for All Ages at the Bill R. Johnson CTE Center on Saturday, March 2. This event offered a unique opportunity for families to explore resources and services for individuals with disabilities available in our community. With over 20 exhibitors and vendors participating, families were able to ask questions and gain information on education, employment, healthcare and much more.

Superintendent Report

A Superintendent Report was not delivered during this meeting.

Recognition Item(s)

Mission Possible Winners

Crowley ISD students turned dreams into reality at the annual Mission: Possible Competition. This year's theme was Crowley's Green Building Challenge. Every team that presented went above and beyond in delivering their message and their design. The winners of the event based on the judges scores were:

Originality: Brother's Nature (David L. Walker Elementary School)

Presentation: Eco Engineers (Summer Creek Middle School)

3rd Place: EF, Inc. (Oakmont Elementary School)

2nd Place: The Green Team (Jackie Carden Elementary)

1st Place: Engineering Designers (Jackie Carden Elementary)

Thank you to Hallmark Church for hosting this event and Crowley ISD STEM Plus team for organizing.

United States Air Force Academy Nominees: Kooper and Gibson Gossett

Global Prep Academy seniors Kooper and Gibson Gossett were recognized for being selected as United States Air Force Academy nominees by U.S. Representative Kay Granger. Additionally, Kooper and Gibson were also recognized for their work with the Crowley ISD Communications and Marketing Department capturing drone footage of campuses across the district.

Crowley ISD Heartbeat Team Award

LaTasha Kennedy, a Crowley High School teacher and Student Council sponsor, was recognized as the April 2024 Heartbeat Team Award winner.

CISD Student School Board Trustee Program

Introductions and Updates from Student Trustees

Student Trustees Rose Jones from (CHS) and Mikayla Nicholas from (NCHS) were introduced and provided feedback and updates from their campuses.

Report Item(s)

Discussion of Districtwide Intruder Detection Audit Report Findings

The Texas School Safety Center recently conducted an Intruder Detection Audit at one or more of our campuses. The state gives school districts 45 days from official notification to enact corrective actions and we took immediate action as a response to the findings.

While we are not releasing any sensitive details to the public regarding the audit in open session, a corrective action plan was put into place due to the findings. This audit is conducted as part of Governor Abbott's school safety directives for all school systems to help school districts identify how campuses can improve safety for our children and staff, such as ensuring exterior doors are locked. The audit provides Crowley ISD with an opportunity to create a safer learning environment and is just one of the many actions that we are taking to ensure that our schools are safe.
