Education Specifications Committee for Long-Range Facility Planning

As part of Crowley ISD's Long-Range Facility Planning process, the district is creating an Education Specifications Committee. Texas public schools are required to have these by law.

Education Specifications are defined as the design standards and concepts to be used to guide new facility construction and major space renovations to create engaging and effective learning environments. The specifications, created by the Education Specification Committee, will help establish performance expectations for facilities by incorporating principles and strategies for successful teaching and learning with the build environment.

To meet the requirements of TEC §61.1040, The education specifications will include the school district mission, vision, goals, and pedagogy; (ii) preliminary details related to facility type, grades served, and maximum student enrollment; (iii) pertinent provisions of the multi-hazard emergency operations plan that may inform the functionality of the built environment, including how the district complies with TEC, §37.108; (iv) a written statement that includes: (I) inclusive design goals and considerations supported by the school district; and (II) how inclusive design should be addressed in new and renovated facility designs; (v) minimum total square footage required to comply with the quantitative method of compliance; and (vi) innovative teaching or operational practices intended for implementation at the instructional facility that may lead to the use of the qualitative method of compliance. (B) Schedule. An educational specification shall be created for each campus type.

A total of 30 participants is recommended, consisting of:

- 5 district level administrators
- 5 teachers
- 5 parents
- 5 students
- 5 staff (principal, counselor, special populations teachers, etc.)
- 5 community members

Committee meetings are currently scheduled for:

- Monday, June 6 from 1:30-4:30 p.m.
- Monday, June 20 from 8:30-11:30 a.m.

Future Action Item(s)

Child Nutrition Renovations and Improvements

Deer Creek Elementary School is in need of a kitchen addition and renovation project to increase both food storage capacity and student serving capacity. This project will focus on adding additional square footage for a larger cooler freezer. The larger cooler freezer will add food storage capacity for this campus. This project will also add an additional serving line for this campus. The additional serving line will expand student service capacity in an effort to reduce the number of required lunch periods from seven (7) to four (4). Administration will be bringing forward a recommendation for the Construction Manager at Risk (CMAR) for this project.

Also, in an effort to reduce costs and to dispose of food service waste in a more environmentally responsible manner, administration is proposing the purchase of five (5) StyroGenies. These StyroGenies will be placed at both high schools, both ninth grade campuses and the BRJ CTE Center. This item will be brought back for consideration and possible action during a future board meeting.

Texas Association of School Boards (TASB) Board Call for Nominations: Region 11, Position A

The Crowley ISD Board of Trustees is invited to nominate a trustee from the Crowley ISD Board of Trustees for the Region 11, Position A Seat on the TASB Board. This position is currently held by Becky St. John (Grapevine-Colleyville ISD). Ms. St. John has indicated that she will be seeking reelection. The term for this position is for three years beginning at the close of the 2022 Annual TASA / TASB Convention and expiring after Convention 2025. Nominations must be submitted to TASB no later than Thursday, June 30, 2022.

Texas Association of School Boards (TASB) Resolution(s) To Be Included in the 2022-2024 Advocacy Agenda
