This tradition will encourage students to look forward to their future.

Crowley ISD Multi-Purpose Stadium

The Crowley ISD Multi-Purpose Stadium opened its doors on Thursday, Sept. 8 and we could not be prouder. The new facility, part of the voter approved 2007 bond package, will serve athletes, bands, community members and students for years to come. This facility belongs to all of us. We are #CrowleyPrideUnified.

They conducted two demonstration experiments using Amplify Reading and Eureka Math. Parent engagement was high through Kahoots and Math Sprints. Way to go Dragons.

Professional Learning

Prior to welcoming students, our Professional Learning team worked hard to prepare staff for a great year. The District Learning Academy focused on intentional learning in various subjects and best practices to support students to thrive academically. New teachers in the Newbie Network are connected to veteran teachers in MINT, which stands for Mentors Investing In New Teachers.

Superintendent Report

During his opening comments, Dr. McFarland thanked Trustees for their support during the opening of the CISD Multi-Purpose Stadium. As the first six weeks of school ends, he reported that the current student enrollment count, is 16,675 and that the district anticipates that number could reach 16,800 within a few short weeks.

Dr. McFarland also thanked the Central Administration staff for the very intentional work that was dedicated to the classroom leveling process which helped to minimize the need to make changes and reassignments of both students and staff.
