

# Durham (Transportation Services) Renewal

June 22, 2023

# Transportation Services Recap

- CISD advertised a Request for Proposals for Student Transportation Services in 2022.
  - Durham Transportation Services was the sole respondent to this RFP
- Crowley ISD considered several of the cost proposals presented by Durham and settled on a contract with a five (5) year term and a prescribed annual increase of only 3% for years two (2) through five (5) of the contract.

# Transportation Services

## Contract Details

- Maintains the average of the bus fleet at 8 years with the oldest buses allowed to be 12 years old at max.
- Establishes the regular route cost at \$316.86 per route in year 1 with an established 3% increase in years two (2) – five (5).
- Contractually permits the District to build its own independent bus fleet through the purchase of buses, and, as such, to negotiate the (route) rates of each ensuing year
- Bus drivers starting pay at \$21 per hour
