

Current Trustee Training Requirements

Serving as a school board member comes with plenty of challenges. Earning and reporting training credit hours shouldn't be one of them.

Whether you're a new board member learning about training requirements for the first time, or an experienced board member ready to learn about options that better suit your interests, TASB has you covered.

We offer a variety of professional development that helps you earn continuing education credit (CEC) while growing in your role and feeding your passions for school governance. All training options for trustees are based on the continuing education requirements adopted by the State Board of Education.
