Superintendent Dr. Michael McFarland shared a statement regarding the death of Rashard Guinyard, a senior at Crowley High School who was killed in a shooting that occurred at a private party, and a moment of silence was held in his memory.

Celebrations / Board Points of Pride

- On Saturday, April 23 The Chisholm Trail Education Foundation hosted the Heroes Run Here 5K. Sponsors and participants helped to raise money for innovative teaching grants that support Crowley ISD educators.
- Congratulations to all 2022 Crowley ISD Teachers and Employees of the Year.
- The Crowley High School softball program will open the University Interscholastic League playoffs with a best of three-game series. The Eagles have now qualified for the playoffs in back-to-back years for the first time since the 2011 and the 2012 seasons.
- The Crowley ISD Language Support Programs Department will host a Family Engagement Night on Friday, April 29. Information regarding the dual language program, TELPAS and much more will be provided during this event.
- Destination Diploma students from CHS visited the Fort Worth Modern Museum to experience the art of Texas native Jamal Cyrus.
- Recognizing the importance of creating space for parents to connect with students at school, parents from Sycamore Elementary School have been attending special scheduled campus activities and the turnout has been amazing.
- Second grade GATE students from Oakmont Elementary school celebrated Earth Day by learning about water in Tarrant County by enjoying a live play performed by The National Theater.
- For the first time since 2016 North Crowley High School hosted the annual Powder Puff Football Game on April 14th. Four teams of senior and junior girls were coached by junior and senior football players. The winning team Pink Pressure was coached by Kartez White and Jeremiah Dorsey.

Recognitions Item(s)

SciSTEM Fair Winners

The SciSTEM Fair was held Saturday, April 9 as a collaboration between the Elementary Science Department and the STEM Plus team. This was a reinvigoration of the classic Science Fair with an emphasis on the skills and process known to engineering that are focused on through STEM. The goal was to provide our elementary students with exposure and experience to this process and give them a beyond classroom platform to communicate their work. The hope is to prepare students to compete in the Regional Science and Engineering Fair hosted by UTA for grades 6-12. First place winners in each category were introduced, along with the two district winners from Sycamore and Dallas Park elementary schools who tied with perfect scores.
