SOS Plaza • PO Box 612248 • D/FW, TX 75261-2248

(817) 255-8624 • vincepuente@sostexas.com

Bio – September 2024

Vince Puente is a proud native and resident of Fort Worth, Texas. He is a small business owner, who understands the balance of creating value for his clients, teammates and the community. He understands the importance of making payrolls, timely payments to his vendors and a respectable bottom-line to invest in the future. More importantly he believes the Lord and family come first and foremost.

Mr. Puente received his formal education via Fort Worth ISD and the University of Texas at Arlington. Early in his career, Mr. Puente immersed himself in education related to his skill set and industry field. It soon became apparent that this pursuit of education would be one of his ongoing, lifetime passions. As he took on additional responsibilities within **SOS**, he pursued personal education in each area. One prime example is that of marketing and advertising. With no formal education in these areas, it is safe to say Mr. Puente has built the **SOS** “brand”, resulting in **SOS** being one of the most recognizable companies in North Texas. In addition, **SOS** has received national recognition within its industry and the business community.

Mr. Puente is one who believes in active participation within his community. Currently he serves as Chairman of the **Tarrant Appraisal District (TAD)** and **Texas Values** Board of Directors. He recently rolled off the Board of Directors of the **Finance Commission of Texas** (Governor Abbott appointee), **YMCA of Metropolitan Dallas** and **Congresswoman Kay Granger’s** Hispanic Advisory Council. Mr. Puente has been previously named as Businessman of the Year for the Texas Association of Mexican American Chambers of Commerce, an Aflac Civic Leader, an Honoree for The Father of the Year Awards and State of Texas Small Business Champion.

When asked what accomplishments he feels represent his vision for excellence, one he will cite is **SOS Plaza**. This is the home of his companies, Southwest Office Systems, Inc. and Puente Brothers Investments. It is a 39,000 sq. ft., Class A facility on 2.5 acres across from the American Airlines World HQ. The document technology industry considers **SOS Plaza** to be one of the best in the nation. But what is truly amazing is that his companies and **SOS Plaza** are entirely debt-free.

However, Vince is not all business. He will tell you it is his **wife, Mona, and his kids, Vincent, Jr. and Lindsay, of which he is most proud.** His family is far more important to him than any business accomplishment he could ever desire. Vince and Mona are active members of their local Church and engaged in multiple organizations that touch our community throughout Tarrant County and the Great State of Texas!

Alan Blaylock

City - Cell: 817-233-2940, Email: Alan.Blaylock@fortworthtexas.gov

City of Fort Worth Councilmember Alan Blaylock is a dedicated community leader who has significantly contributed to his hometown, Fort Worth, Texas. In his short time as council member, he has achieved significant victories that have positively impacted the lives of families and businesses in the area. With an unwavering commitment to serving the public, Alan has personally addressed constituent concerns and continues to be a staunch advocate for the needs and well-being of those he serves.

A strong advocate for public safety, Alan has taken decisive actions to strengthen the Police and Fire departments. Alan voted to fund new positions and provide essential training to ensure the community's safety. Under his leadership, the number of unfilled public safety positions significantly decreased, contributing to a safer environment for residents. The Fort Worth Police Officers Association and the Fort Worth Professional Firefighters Association recognize Alan and endorse his initiatives.

Recognizing the burden of property taxes on Fort Worth taxpayers, Alan emerged as the leading proponent of responsible fiscal policies. As a council member, he has supported the "no new revenue rate," a crucial measure to prevent taxes from rising with appraisal values. His commitment to preserving and improving neighborhoods and infrastructure was evident in his efforts to revise Transportation Impact Fees, secure the establishment of the first H-E-B Grocery in Fort Worth, and pass the Short-Term Rental Ordinance to safeguard the community's residential areas. Alan continues to play an active role in Zoning. He diligently strives to maintain harmony between development projects and neighborhood interests.

Homelessness and city management are equally critical areas of focus for Alan. He secured substantial funding to enhance the city's capabilities and staff in addressing homelessness and its associated challenges, including panhandling. His efforts to implement measures, such as "no panhandling" signs, the Shopping Cart Ordinance, and the purchase of street sweepers, reflect his commitment to maintaining a clean and safe city.

Before being elected into office, Alan served as Senior Product Manager at Nokia for several years, previously holding Lead Software Developer and Project Manager positions at Owen Oil Tools.

As a family man deeply connected to Fort Worth, Alan's love for the city is evident in his actions and decisions as a city council member. He prioritizes delivering tangible results rather than engaging in political grandstanding. His business insight enables him to cut wasteful spending and identify efficiencies, ensuring taxpayer money is utilized effectively without compromising essential city services. Alan is committed to improving the quality of life for his constituents, focusing on infrastructure and roads, public safety, and lowering taxes.

Alan and his wife, Mindy, are proud parents of two daughters and active supporters of The Children's Miracle Network and The Leukemia & Lymphoma Society.

Alan has a record of community service, participating in the following:

Eric Crile

[REDACTED]

[REDACTED]

Eric has been a resident of Texas for 17 years. Prior to his arrival in Texas, he was raised in a small rural town in southwestern Pennsylvania. After graduating college, he decided to expand his horizons and moved to south Florida where he resided for 6 years before making his way to the great State of Texas. During the past 17 years he has lived almost exclusively in Tarrant County. This is where he met his wife, Jennifer. They were married in the summer of 2021. They are proud residents of the rapidly expanding Fort Worth/Alliance corridor. He has a beautiful stepdaughter, Jillian, who is a freshman at Eaton High School. Eric and his wife welcomed their first child together, Quintyn, this past May. They are excited for the journey ahead.

Being a strong supporter of public safety, Eric has served the citizens of Dallas for the past 17 years as a firefighter and paramedic for Dallas Fire Rescue. Prior to becoming a firefighter, he worked for the Miami-Dade State Attorney's Office-Child Support Division enforcing adjudicated court orders for child support. He looks forward to showing up for work every day, pulling up his boots, and tackling the ever-changing tasks that lie ahead.

Public education is of the utmost importance to a thriving community, and Eric strongly believes in it. His wife works for a local ISD; she is constantly talking about the funding challenges that her district faces. He has first-hand knowledge of how rapid decisions with incomplete data can have unintended consequences.

Service to the citizens of Fort Worth is also something Eric takes pride in. As a member of the Crime Control and Prevention District, Partners with a Shared Mission Initiative Community-Based Program, a sub advisory board to Fort Worth's Crime Control and Prevention District, Eric can give back to his community in a meaningful way by evaluating effective crime reduction strategies from strategic partners with limited funds to which the board has access.

On the ultimate level of local service, Eric served on his HOA board for the Parks at Willow Ridge. Recently, when the community was in an uproar over the placement of pedestals in everyone's front yard from an internet provider laying fiber optic cable, Eric engaged the provider and negotiated for the installation of inground vaults that were able to meet the aesthetic needs of the community as well as the needs of the provider.

In his free time, when his infant son allows for it, he is an avid movie watcher as well as a member of the DFW Curling Club, the only true sport on ice. As opportunities present themselves, Eric loves to travel. Not long ago he was able to cross off a bucket list item and traveled to Pamplona Spain where he participated in the annual running of the bulls. His advice, if you ever get a chance to visit the San Fermin festival, do it! What an experience!

Eric believes in hard work and realizes that is what it will take to accomplish success at the appraisal district. He wants Tarrant County to be the best at all it does. Eric wants to help create an appraisal district, with its new reality, that works for everyone: Taxpayers, Tax Entities, and the district itself.

He has developed a 5-point plan he believes can serve as a guide for him and the other directors to achieve this goal

1. Fix the Computer Assisted Mass Appraisal (CAMA) data
2. Community Education about TAD's role in tax bills
3. Legislative outreach to work toward solutions for all of TAD's partners
4. The creation of a Tax Entity Liaison
5. A pragmatic approach to problem-solving. Be proactive, not reactive

Eric is a problem solver. He has spent the last 17 years solving problems in rapid succession while realizing that rapid success is the product of a well thought out and well researched plan that takes time to develop and correct data to formulate. Eric believes in you and asks that you believe in him.

Hello, I'm Scott Lindgren, and I am running for the Tarrant Appraisal District (TAD) Board of Directors.

I retired from AT&T after 29 years, starting as a technician and retiring as Director of Field Operations, where I managed teams of over 2,000 employees and oversaw a capital and expense budget exceeding \$250M annually. Additionally, I served as AT&T's Chief Information Officer for the AT&T Emergency Operations Center (EOC), directing disaster recovery efforts. Currently, I own and manage two small businesses and am actively involved in their daily operations.

I have served on the Haltom City Planning and Zoning Commission since 2018, including two years as chair. I am also currently serving as Place 4 on the Haltom City Council. My community involvement extends to serving on the Boy Scouts of America Fort Worth Council Board from 2009 to 2023, with a current role on its Advisory Board. Furthermore, I served on the Board of Directors for 1-800-DIG-TESS (811 for Texas) from 2007 to 2008. I have additional experience serving on various subdivision and non-profit boards. I hold two patents through AT&T Labs and have been honored with the Silver Beaver Award by the Boy Scouts. I served as lead for many mentoring circles and internships through the years, and I am an absolute believer in Servant Leadership.

My wife, Sue, and I have been longtime residents of Haltom City. Our children attended Keller School District, and two of them remain local. We frequently babysit our grandchildren and are longtime members of Milestone Church in Keller, where our children work.

I respectfully ask for your consideration in electing me to the TAD Board. Tarrant County is a wonderful place with outstanding schools, city services, and dedicated police and fire departments. I've witnessed the county's growth and the substantial increase in property values over the years. I also understand how property values impact school budgets, city budgets, hospitals, and other institutions affected by TAD decisions.

This year presents unique challenges, such as funding for school resource officers and significant changes to Tarrant County EMS. I believe the current TAD board has not fully put the forethought needed in these and other pressing issues. I bring a strong background in business and finance, as well as the perspective of a resident and property taxpayer in Tarrant County for over 24 years.

Thank you for your time and consideration.

Sincerely,

Scott Lindgren

The Tax Office collects for 86 taxing entities in Tarrant County and the State Comptroller predominately through property taxes, state motor vehicle sales tax, and vehicle registration. Complex accounting and reporting are critical in her operations as it is the most audited office in the county and has a stellar audit reputation. In 2023, her office was the first large county to achieve Gold recognition in the TxDMV Performance Review Process. This year-long audit focused on best practices, innovation, operational efficiencies, customer experience, and fraud prevention. Her office has become known for its #ServiceWithaSmile provided to customers in 8 branch locations throughout Tarrant County.

Tax Assessor-Collector Burgess understands the unique symbiotic relationship between the entities and taxpayers. She is eager to listen to industry experts and navigate difficult discussions related to the legal actions this board may consider. Big decisions should be made after thoughtful analysis recognizing the myriad of potential factors impacting all stakeholders.

Burgess is the longest-serving member on the TAD board and is the only subject matter expert currently proposed to serve the entities with the 4 highest designations available to Assessor-Collectors and is a Certified Property Tax Instructor. The entities know Ms. Burgess because they work with her on the collection side, where she runs a highly efficient

operation that collects \$5 billion in property tax on their behalf. The entities will recall when, after being in office for only 5 months, Ms. Burgess solved a decades-long cash flow problem for them related to recalculations, refunds, agreed judgments, and litigation that started at \$15 million and has now reached an astounding \$90 million a year. This is money that, by law, must be refunded by the Tax Office on behalf of the entity within 60 days of certification by the Chief Appraiser. In many cases, the entities have received and spent this money years ago, which is why this solution was hailed as a saving grace by so many entities over the past 5 1/2 years. This is one example of why entities need Wendy Burgess on the TAD Board.
