Data Analysis

Domain 1

Domain 1: What accountability goal has your campus set for this year? Be sure to include how you determined the goal for each domain and how these goals will impact your overall Accountability Rating.

On the 2022 Reading STAAR, 64% of RAMS students will approach grade level expectations.

By achieving this, in conjunction with growth of students (Domain 2A/B), our school would achieve an overall accountability rating of B. Results from winter benchmark had RAMS at an overall score of 77, which is 3 points away from our goal.

Domain 2A or 2B

Domain 2A or 2B: What accountability goal has your campus set for this year? Be sure to include how you determined the goal and how these goals will impact your overall Accountability Rating.

By meeting the growth measure for 63 students (from winter benchmark to STAAR), our campus will receive an overall accountability rating of a B. We--administrators, counselors, office staff--are meeting with these students bi-weekly to mentor them, read with them, discuss challenges, remove barriers, etc. In addition, we have these students in our small group interventions, in lab classes, etc.

Domain 3

Domain 3: What accountability goal has your campus set for this year? Be sure to include how you determined the goal for each domain and how these goals will impact your overall Accountability Rating.

53% of Economically Disadvantaged students will make approaches or better on the 2022 STAAR exam, across all tests. Achieving this would result in an overall accountability rating of a B.

Economically disadvantaged students who were near progress measures on Winter Benchmark (from CoPilot) are in intervention groups, reading & math labs, etc. This is giving them specific intervention (Tier II and III instruction) in math or reading.

Subject Areas and Student Groups

Which subjects are a focus this year when thinking about student performance? Why have you identified these specific subject areas? What is the intended impact on your accountability domain scores?

Math and Reading are the focus areas for RAMS. We identified these areas because of their potential impact in every grade level, for every student.

We have implemented a thorough instructional plan (Tier I) and intervention plan (Tier II and III) that includes eco. dis. students. This includes tutoring after school, tutoring during advisory, advisory class location, small group pullouts.

Which student group outcomes are you targeting in these goals? What is the intended impact on your accountability domain scores?

Economically Disadvantaged students--By increasing scores of Eco. disadvantaged students to 53% approaches on all tests, our accountability would go to a B.

Did you achieve your student performance data goals? Why or why not?: None

Cycle 4 - (Jun – Aug)

Title I Components

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

Generally, as a brand new school, the overall primary need at this campus is to establish a positive environment in which students build trust, collaboration, unity, and school identity. This must also translate to teachers, parents, and community members.

As far as teachers, it is imperative that a culture of growth is established and reinforced. Administrators must build a trusting environment if we are going to expect teachers to be comfortable with the Leverage Leadership/Better Faster coaching model. As we transition from year 1 into 2, we are moving from identification of goals to implementation of goals.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

Stakeholders:

Parent Survey

CPOC committee

Administrative Team

Campus Leadership Team (department heads, team leads)

2.2: Regular monitoring and revision

In addition to the quarterly updates on Plan4Learning, we monitor attendance data daily, testing data after each CFA, benchmark, etc. (usually monthly), academic performance in class tri-weekly. In addition, our bi-weekly coaching model allows for us monitor teacher implementation of campus instructional goals.

2.3: Available to parents and community in an understandable format and language

Campus budget and decisions are part of a collaborative effort made during CPOC meeting, which is comprised of parents, teachers, and administrators. We also use our marquee, callouts, texts, and emails at least 1-2 times per week to keep all constituents informed. A parent newsletter is sent out weekly via Smore.

2.4: Opportunities for all children to meet State standards

We utilize teaming and advisory to ensure all students SEL needs are being met. We also use advisory to provide interventions during the school day as well as appeal to students' interest (i.e. advisory is also used for students to pick a class in a college like atmosphere). We have after school tutoring, Saturday tutoring, and tutoring during the day to address students who may not be able to attend sessions after school.

2.5: Increased learning time and well-rounded education

Teams--SEL, support

Master Schedule--We utilized our master schedule to ensure that virtual students had a dedicated period and in-person learners had dedicated periods.

Increased elective offerings for 6th and 7th Graders

STEM, drama, yearbook clubs meet weekly after school. UIL academic events are offered to advanced students who may be looking to stretch their thinking and compete with other students from CISD middle schools.

2.6: Address needs of all students, particularly at-risk

Saturday STAAR tutoring camps are utilized for all 4 subjects

RAMS emporium used to clothe and feed kids in need.

Counseling department created Angel Tree and Thanksgiving baskets for families in need.

Friday Prime-Time provides tutoring and enrichment

Mentor program for 70 at risk students

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

We distributed Title 1 information at our open house, have posted it on our campus webpage, and emailed it out to all parents.

Parent compact sent in Spanish and English

3.2: Offer flexible number of parent involvement meetings

We have conducted meet-the-teacher sessions with teams in August

We had a Winter Parent Engagement meeting with 80 parents present.

6th grade middle school informational night

Course selection nights

Signing Night

TEXAS BEHAVIOR SUPPORT INITIATIVE (TBSI)

1. Any campus personnel likely to use restraint or likely to use time-out as part of a student's Individualized Education Program and/or Behavior Intervention Plan must receive training in the Texas Behavior Support Initiative (TBSI).
2. The school staff member will complete the first six modules online prior to taking module seven, Physical Restraint. The District adopted restraint training program is Nonviolent Crisis Intervention through the Crisis Prevention Institute (CPI).
3. Before being allowed to register for CPI, the school staff member must provide evidence to the CISD Professional Development Department that they have gone through the first six modules of TBSI.
4. Campus personnel are only required to participate in the online module training one time. The physical restraint training program requires annual training.
5. Personnel called upon to use restraint and who have not received prior training must receive training in the six modules of TBSI and CPI within 30 school days following the use of restraint.
6. Each campus in the District is required to maintain a core team of an administrator, general education teacher and a special education teacher trained in TBSI and CPI.

Suicide Awareness & Prevention

In Crowley ISD steps are taken to empower students at every grade level with protective influences that decrease the likelihood of suicide. These steps are provided in a variety of methods and with age- related considerations.

The elementary and intermediate campuses utilize classroom lessons on the topics of kindness, self- confidence, communication, and perseverance. Each of these traits contribute to a healthy self and supportive relationships. Throughout the school year speakers and programs are presented to the students and staff that promote protective qualities which reduce the risk for suicide.

At the middle School and high School campuses the attributes of kindness, self-confidence, communication, perseverance, and leadership are also imparted in a variety of means. In September, each campus utilizes a Suicide Prevention Week. During this week announcements are shared giving suicide awareness and prevention tools. Students are equipped with information to report concerns regarding peers, family, and themselves. Throughout the school year speakers and programs are presented to the students and staff that promote protective qualities which reduce the risk for suicide.

Additionally, staff on all Crowley ISD campuses are provided training on suicide awareness. Staff are provided basic information for offering support to a student in crisis and ensuring student safety. All Crowley ISD campuses have a procedure to follow when an out-cry or self-harm concern is presented. A student at risk of suicide or self -harm is screened for risk level, a parent or guardian is provided an Emergency Notification that includes external referral sources, and follow up with the student is carried out to ensure support and a healthy welfare of the student.

Parent and Family Engagement Plan

Crowley ISD agrees to implement the following statutory requirements:

- Crowley ISD will put into operation programs, activities and procedures for the engagement of parents and families in all schools with Title I, Part A Programs, consistent with the Elementary and Secondary Education Act (ESEA). Those programs, activities and procedures will be planned and operated with meaningful consultation with parents.
- Crowley ISD will work with schools to ensure that the required school-level Parent and Family Engagement plans meet the requirements of the ESEA.
- Crowley ISD will incorporate this plan into its District Improvement Plan.
- In carrying out Title I, Part A parent and family engagement requirements Crowley ISD and its schools will provide full opportunities for the participation of parents and families with limited English proficiency, parents with disabilities and parents of migratory children. Crowley ISD will provide information and required school reports in an understandable and uniform format in a language parents understand.
- Crowley ISD will involve the families of children served in Title I, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parent and family engagement are spent.
- Crowley ISD will provide the following necessary coordination, technical assistance and other support to Title I, Part A schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance (A) Support from Title I Specialists; (B) Professional development provided to Title I Intervention Teachers by Reading and Math Intervention Specialists; (C) Title I Collaborative Meetings.
- In Crowley ISD, parent and family engagement means regular, two-way and meaningful communication involving student academic learning and other school activities, ensuring that (A) families play an integral role in their child's learning; (B) families are encouraged to be actively involved in their child's education at school; (C) families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; (D) the carrying out of other activities.

Federal Program Expenditures

All district and campus expenditures related to the following Federal Grants will be utilized for the purposes and intended audiences stated below:

Grant	Purpose and Intended Beneficiaries
Title I, Part A	The purpose of the grant is to help all students meet the state student performance standards by providing supplemental resources to the LEA. The intended beneficiaries are students who experience difficulties mastering the state academic achievement standards.
Title II, Part A	The two purposes of the grant are 1) to increase student academic achievement through improving teacher and principal quality and increasing the number of highly qualified teachers in the classroom as well as highly qualified principals and assistant principals; and 2) to hold LEAs and schools accountable for improving student academic achievement. The intended beneficiaries are teachers and principals, including assistant principals, and as appropriate, administrators, pupil services personnel, and paraprofessionals.
Title III, Part A	The purpose of the grant is to provide supplemental resources to help ensure that children who are limited English proficient attain English proficiency at high levels in core academic subjects and can meet state mandated achievement performance standards. The intended beneficiaries are LEP students, including immigrant children and youth.
Title IV, Part A	The purpose of the grant is to provide: 1) all students with access to a well-rounded education, 2) improve school conditions for student learning, and 3) improve the use of technology in order to enhance academic outcomes and digital literacy of students.
Perkins Grant	The purpose of the grant is to develop more fully the academic and technical skills of secondary students who elect to enroll in career and technical education programs.
Title IV, Part B 21 st Century Grant	The purpose of the grant is to provide academic enrichment opportunities during non-school hours for children, particularly student who attend high-poverty and low-performing schools.
