Dear Leon Fisher,

Today, more than ever, strong risk management resources and reliable coverage partners are important to secure and support your operations. We thank you for your membership in the TASB Risk Management Fund and look forward to a continued partnership this year. We are pleased to provide your renewal proposal for 2020-21 coverage with the Fund.

We often point to the **Value of Membership** in the TASB Risk Management Fund. That value makes the Fund the choice of over 1,000 Texas school districts and other educational entities for their risk management and coverage needs:

- **We are invested in you:** The Fund's financial strength, with over \$200 million in Members' Equity, means we have the financial security to handle your claims.
- **We have you covered:** The Fund's broad array of coverage options are tailored for and respond to the unique needs of Texas schools.
- **We are member-focused:** The Fund is committed to delivering the coverage and services that members need. 96% of Fund members are satisfied with their membership in the Fund.
- **We are in it for the long-haul:** Risk management and coverage needs change over time. The Fund has been responsive and innovative in adapting to its members' evolving environments since 1974.
- **We have a heart for education:** The Fund is administered by the Texas Association of School Boards (TASB). TASB understands the uniqueness of each school community in Texas and has Texas school children at the heart of its mission.

This year, the Fund has made several programs changes and updates for your consideration.

- The Fund expanded access to telemedicine options for **Workers' Compensation** members which makes seeking medical care easier for your employees. The Fund has also expanded access to **training** through the SafeSchools platform with new courses based on your program participation. For **Liability** members, this includes a state-approved cybersecurity training course.
- The Fund offers a Wind-Hail Deductible Buy-Down option for **Property** program members who want to lower their wind-hail deductible. Equipment Breakdown and Crime are included at no additional cost. Higher coverage limits are available for single-ply membrane roofing systems that meet independent rating standards (e.g., FM Global, UL) for severe or very severe hail resistance.
- The Fund has extended limited coverage to students participating in career and technology programs under **General Liability** and **Auto Liability** programs to help support innovative options for students.

- The Fund updated its **Privacy & Information Security** coverage (“cyber”) limits to a single \$250,000 combined limit. This replaces the current “three-limit” structure for liability, breach response, and notification costs and is an overall increase in limit. The coverage will continue to be offered without a deductible and the full \$250,000 limit is available for fraudulent direction claims. Due to increased claims costs related to evolving cyber risks, a \$2,500 contribution is being implemented. Higher limits are available for additional contribution.
- The Fund continues to provide \$250,000 of **Violent Acts** coverage to members in three or more Fund programs at no cost. This year, the coverage has been expanded to also include up to \$1 million in coverage for the demolition, remediation, or rebuilding of buildings after a violent act occurs. Violent Acts coverage provides expense reimbursements for post-event emergency costs, including mental health services, crisis communications, and other expenses.

- This ancillary coverage was clarified and enhanced to broaden the coverage extended because of a Violent Act Event. An Event includes an occurrence during which an individual utilizes a weapon with the intent to harm others and inflicts bodily injury on two or more Victims during a Fund Member-sponsored activity regardless of location. Paid expenses include Post Event Emergency Costs, Mental Health Service Costs, Crisis Communication Costs, Essential Support Costs (for travel assistance for Victim's families where needed), with separate Property Reimbursement Costs up to \$1M for the demolition, rebuilding, remediation, or repurposing of buildings after a Violent Act Event.
