

In preparation for the 2023-2024 CISD Student Safety Protocols evaluation and request of Board Action on Thursday June 22, 2023 for PK-12TH Dress Code and on Thursday July 25th for Student Code of Conduct please be advised of the following:

The method of policy review, evaluation, and revision will take place through the Student Safety Protocols Committee, composed of staff and parent volunteers from various campuses, grades, and roles. Student voice will be represented in the process from the students on the Superintendent's Advisory Council and Student Board Members. The three Nexus Teams are the sub-committees that will meet to collectively review data around related safety topics, review and discuss safety systems, and make recommendation for change. The Steering Committee will review change recommendations and prepare the final 2023-24 proposed documents for Board Approval.

June 8th Update:

The safety survey closed on 6/1 with over 2,000 respondents and 61% were students. The Nexus Teams are meeting to review the survey results and have deeper discussions around the topics with data. The Nexus Teams are using the SYSTEM REVIEW QUESTIONS to evaluate the safety topics and make recommendations. The Steering Committee has reviewed data sources and are in discussions about system upgrades to the CISD Dress Code for 2023-24
