What is P.B.I.S.

- **Positive Behavior Interventions and Supports (PBIS)** is a researched based, proactive approach to establishing the **behavioral supports** and **social culture** needed for all students in a school to achieve **social, emotional, and academic** success.

Why PBIS at HFS?

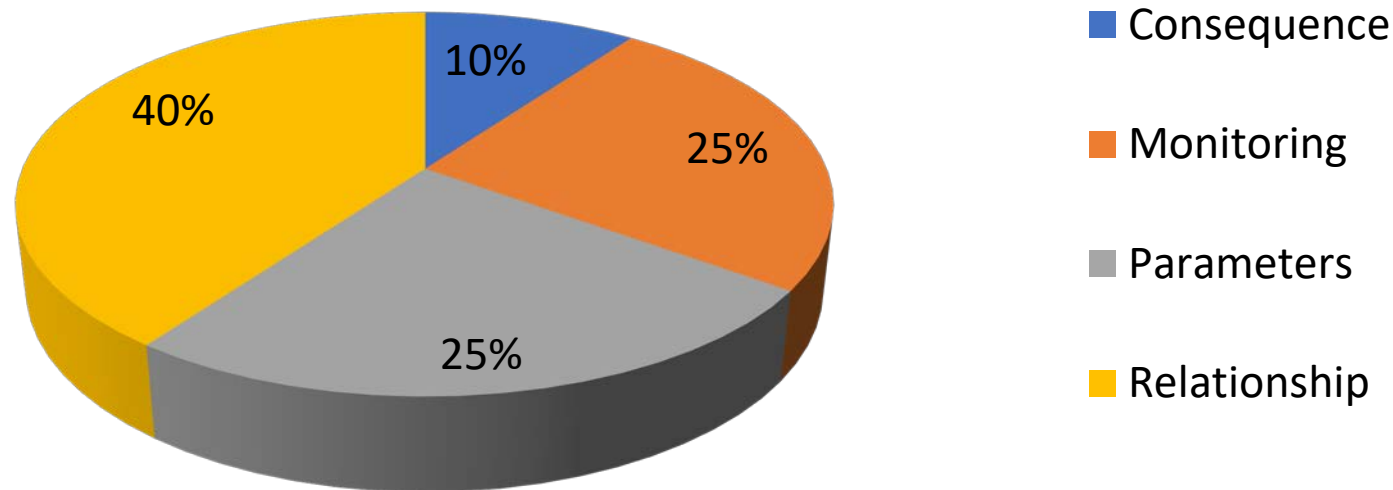

- To implement a research-based systematic approach to campus culture
- To support positive relationships throughout the campus
- To put students at the center of campus culture
- To demonstrate the HFS core values
- To provide student incentives for the behaviors that we want to see more of

Discipline System Components

Positive relationships are the foundation to a strong discipline system, but they are not enough. It is also critical to clearly define parameters and monitor those behaviors, as well as implement consequences when needed. *Mark and Christine Boyton, (2005)*

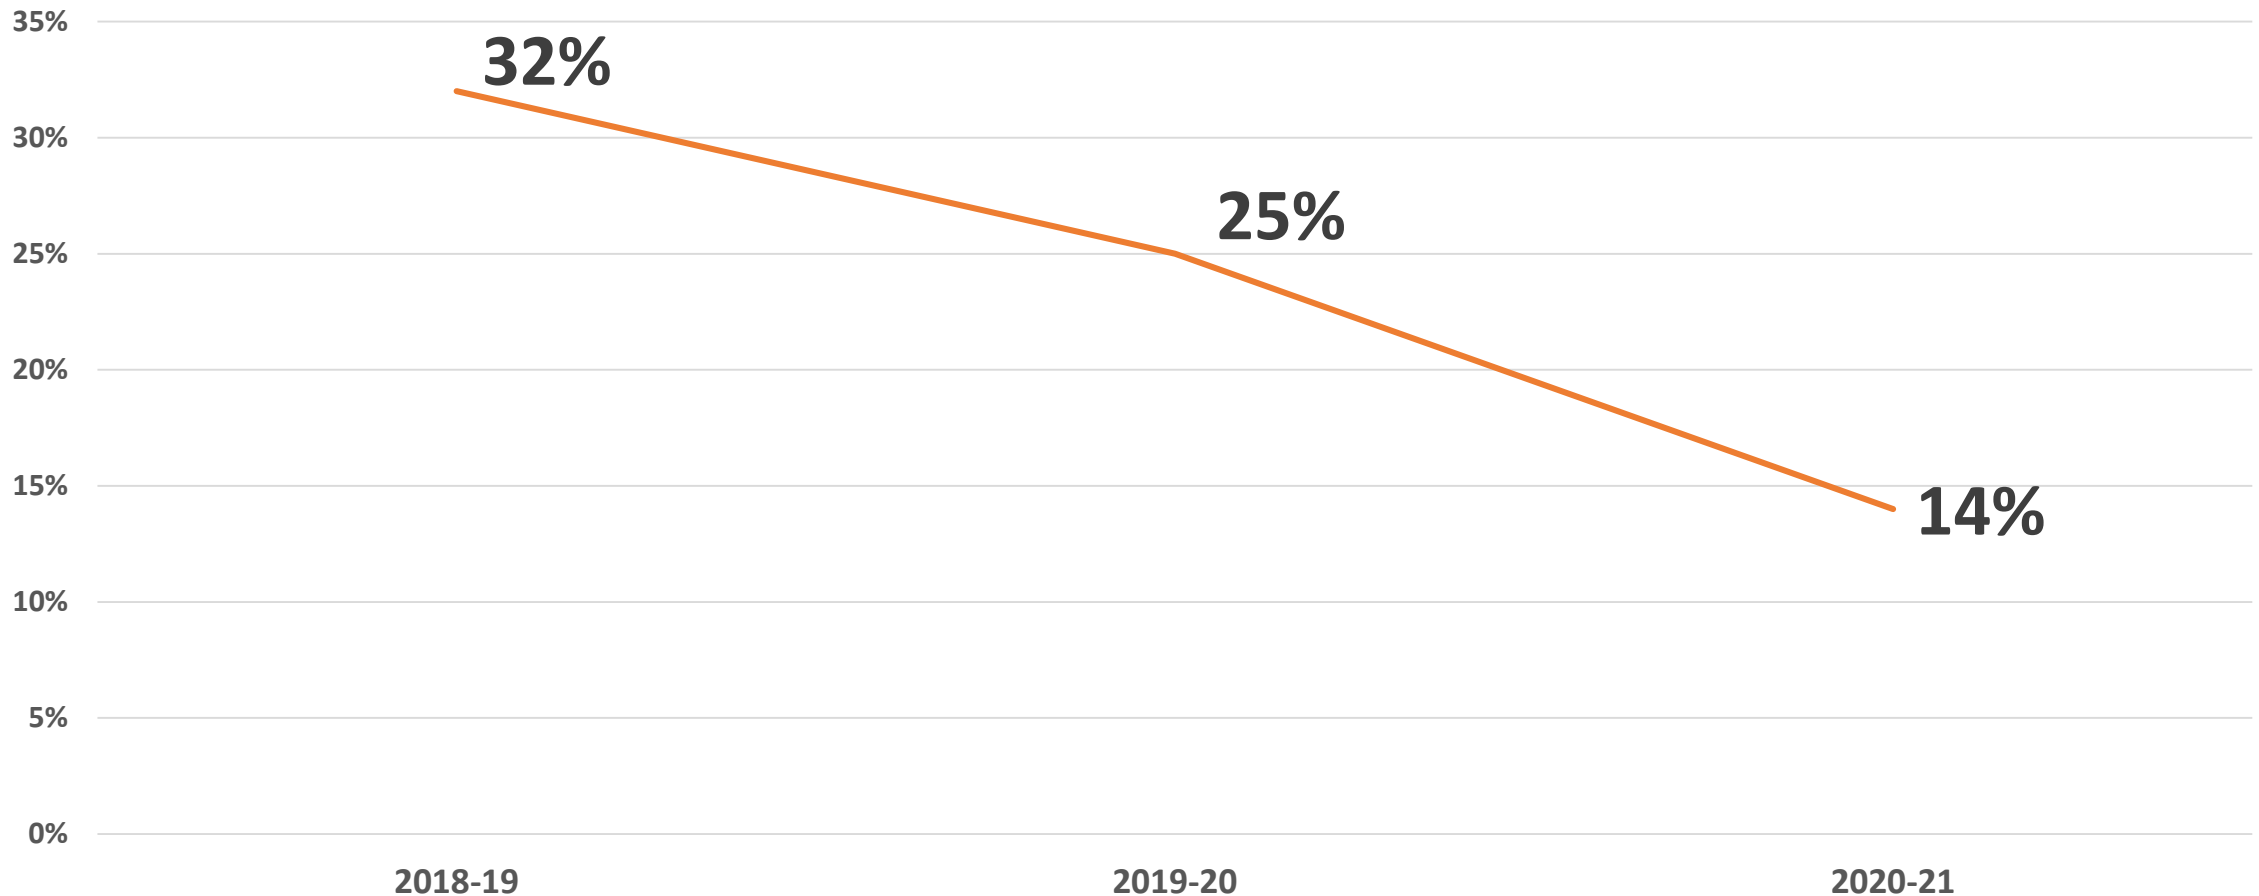

The Four Components of Preventive Discipline

PBIS Impact at HF Stevens

Percentage of HFS students with an ISS, OSS or DAEP placement

How Does It Work?

- All students follow the same set of rules and expectations throughout all areas in the building.
- When students follow the rules and expectations, they are recognized with PBIS Rewards points
- When students do not follow the rules, there are planned consequences to help them get back on track.

Fireside Chats

Grade level and/or gender-based group conversations between students and administrators which occur quarterly to proactively reinforce the SOAR core values, address any widespread issues that may have occurred, and to provide a voice for student input
