Congratulations to Dianna Lopez, a standout senior from Crowley High School and the Crowley Collegiate Academy, on earning the prestigious PSAT National Hispanic Merit Award! The program recognizes approximately 5,000 Hispanic / Latino students each year from among the more than 400,000 students who take the PSAT. Way to go, Diana!

National Principal's Month

According to the National Institute for excellence in teaching. "High-quality school principals ensure that students have access to strong educational opportunities. They create strong and inclusive learning environments by fostering a climate of continuous growth, empowering staff to assume leadership roles, and making data-informed decisions. They also attract and retain highly-effective teachers, organize schools to support the whole child, and lead and support deeper learning instruction."

Celebrated every October, National Principals Month is an opportunity to celebrate and honor our incredible school principals for their visionary leadership and tireless pursuit of success for each student. During the October 27, 2022 Regular Board meeting, 29 principals, executive principals, and principals in residence were celebrated and recognized.
