Celebrations / Board Points of Pride

Summer Staff Training

Before teachers and students return, principals and assistant principals are hard at work learning and preparing for a great year. Our CISD administrators have been participating in long range planning, data reflections and team building activities as well as receiving training on safety, the Multi-tiered System of Supports framework and more.

Human Resources

Hiring season means all hands-on deck, but we want to send a special thank to Dr. Pam Berry and the entire HR team for your work hosting Journey Fairs for professionals and paras, virtual pop-up events for new hires, and for processing the important paperwork required to be on our team.

Summer Learning

More than 2,600 students attended summer learning in CISD. We appreciate your dedication and we would like to thank and recognize our admin team:

Dr. Hannah Anthony
Dr. Charmaine Williams
Barbara Jones

Dr. Joshua Sedillo
Falicia Tate
Quentella Knox

July Jumpstart

The July Jumpstart Freshmen Summer Academy ran from July 26-28. Students had the opportunity to build relationships with their future teachers, take a field trip, and begin learning with exciting and enriching lessons. This program was a huge success with a great turn out. The class of 2026 is off to a great start.

Crowley High School

Congrats to Crowley High School Future Farmers of America standouts Taylor Burney and Kylie Richardson on receiving the prestigious Lone Star Degree recently at the 2022 Texas FFA Convention. The accolade is the highest degree a Future Farmers of America member can earn in the entire state.

Community Partnerships

CISD will be represented at two back-to-school events with our community partners at Sunset Point and Sycamore Pointe Apartments. Our teen-warehouse workers prepped and assisted with delivering 150 bags of school supplies for CISD families to ensure that our students are prepared for the coming year.

Additional Day School Year

We know that increasing instructional time is one of four proven strategies for increasing student performance. With this in mind, on July 14, Crowley ISD welcomed students back to our Additional Day School Year (ADSY) campuses. Current enrollment at Meadowcreek Elementary is 403 eager learners and at David Walker we have 335 stellar students. These 738 students will receive individual academic support, hands-on experiences, education field trips, interest-based activities, college and career readiness, organized sports and clubs and plenty of play time and fun.
