Comments and Highlights

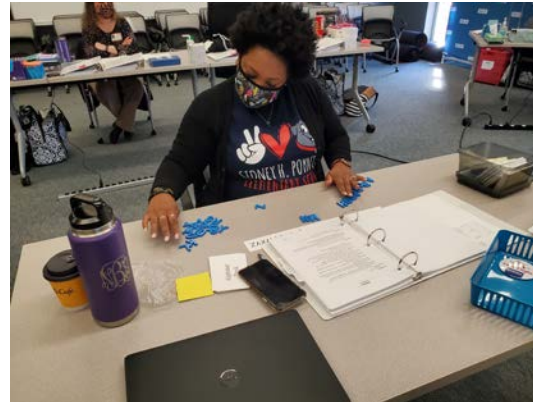

Ms. Watkins

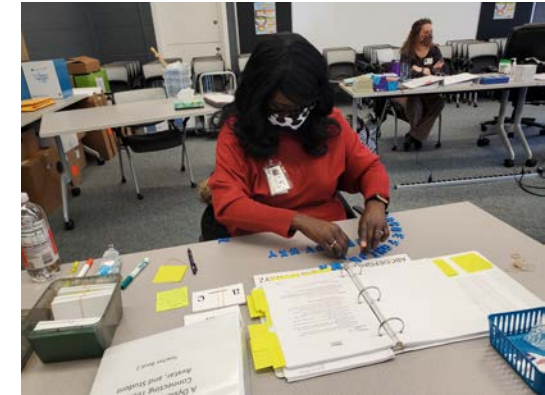

“I really enjoyed my training. Our instructors were the best. I am ready to hit the ground running here at June Davis to see where Bridges will take us in Crowley ISD.”

Mrs. Bryant

“I found the experience to be so rewarding. Being a special education teacher, it fills me with so much joy to be part of any program to help our students reach success and overcome milestone. I know our CISD students will benefit greatly.”

Mrs. Wright

“Thank you all for the opportunity to attend the Bridges Dyslexia Intervention training. It was an honor to be selected. The training caused me to stretch my thinking and look at teaching reading in a different manner. I left with new teaching tools to implement with my students.”
