Recognition Item(s)

School Board Recognition Month

Crowley ISD joins school districts across the state in celebrating January as School Board Recognition Month. Our trustees are extraordinary volunteers who play a crucial role in our schools and in our community. They receive no pay for their dedicated efforts. They not only volunteer their time and effort for our local schools, but they also speak up for our system of public education on a statewide level. These public servants attend meetings, read detailed reports, listen to parents’ concerns and do the hard work to benefit the students and the community at large. They bring a variety of skills and backgrounds to their task, and they take their responsibilities seriously. And the whole community benefits from their vigilance in providing great schools.

Each January, CISD takes time to pause in our regular activities to say THANK YOU to these dedicated volunteers. We appreciate their generous sharing of time and energy on behalf of our children and our communities. Crowley ISD school board members are "Rising Above" in our district.

Texas Music Educators Association (TMEA) All-State Band

Aaron Indolos, a member of the North Crowley High School band, will perform with the Texas All-State Jazz Ensemble in San Antonio, Saturday, Feb. 12 as part of the 2022 Texas Music Educators Association Clinic/Convention.

Aaron was chosen for this prestigious honor through a competitive process held this year across the state at district, region, and area levels. Competing against jazz bass trombone players from all across the state, he placed third overall. Aaron is a student of Logan Davis and plays at school under the direction of Christopher Sample who is a member of the Texas Music Educators Association, a 14,000+ member organization headquartered in Austin.

This is Aaron's first time to perform as a member of a TMEA All-State organization. He is the son of Martin and Rosalyn Indolos.

All-State is the highest honor a Texas music student can receive. 1,875 students are selected through a process that began with over 70,000 students from around the state vying for this honor to perform in one of 18 ensembles. This competitive process begins throughout the state in auditions hosted by 33 TMEA Regions. Individual musicians perform selected music for a panel of judges who rank each instrument or voice part. From this ranking, a select group of musicians advances from their Region to compete against musicians from other areas in eight TMEA Area competitions. The highest-ranking musicians judged at the TMEA Area competitions qualify to perform in a TMEA All-State music group. Only the top 2.6% of musicians who initially audition become All-State musicians.

Buyboard Purchasing Cooperative Rebate

Crowley ISD is a member of the local government purchasing cooperative, BuyBoard. The cooperative helps school districts and other government entities streamline the procurement process and increase our purchasing power. Each year, the cooperative issues rebates to its members proportional to the amount of their purchases on the BuyBoard. The district allows the cooperative to collect a vendor fee up to two percent of the purchase price paid, and those fees are then provided as a rebate to the district. In order to comply with TEC 44.0331, the district must report the annual rebate amount to the Board.

Crowley ISD has received a rebate check of \$64,271.00 for the 2020-21 fiscal year as a result of the district's purchases made through the cooperative.

In the last year, CISD has used the BuyBoard to purchase a variety of products, including services, supplies and equipment.
