Purpose and Goal

- The goal of the committee is to **strengthen student safety** and behavior management systems and develop **consistent expectations** throughout the district
- Using a **collaborative approach** to student management, the committee will **review our safety protocols** and student management system and **make recommendations** for revisions.
- Using qualitative and quantitative data, the committee will **revise the student code of conduct, discipline matrix, and extra curricular standards of behavior**

Committee Makeup

- 24 members representing 12 stakeholder categories will comprise the Student Safety Protocols Committee
 - Principals
 - Assistant Principals
 - Central Office Administrators
 - District Safety Team
 - Parents
 - PEIMS Department

The background features a dark blue gradient with various geometric patterns. On the left, there are white and light blue lines forming a jagged, step-like shape. The right side has a grid of small, light blue squares. The top and bottom edges have a pattern of small, light blue diamonds. The text is centered in the middle of the image.

*“Children are the priority.
Change is the reality.
Collaboration is the strategy.”*
