Policy CH (Local) Update 114

Date Issued: 11/12/2019

The District establishes the following minimum percentage goals for District work to be performed by Historically Underutilized Businesses (HUB) and Minority/Women Owned Businesses (M/WBE) as prime contractors or as subcontractors for work valued at or above \$50,000 and advertised for competitive bid or competitive sealed proposals:

1. 20% of general purchases;
2. 25% of professional services; and
3. 20% of construction contracts

However, nothing in this policy shall operate in violation of law, including the provisions of the revised civil statutes of Texas, Texas Education Code 44.031, or any other provision of state or federal law.

The District Sports Complex project awarded 22% of the construction work to HUB and M/WBE's which equaled in excess of \$10 million dollars.
